

## 40 Developmental Assets for Adolescents

Search Institute has identified the following building blocks of healthy development—known as Developmental Assets—that help young children grow up healthy, caring, and responsible.

This particular list is intended for adolescents (age 12-18). If you'd like to see the lists for other age groups, you can find them on the [Developmental Assets Lists](#) lists page.

For more information on the assets and the research behind them, see the [Developmental Assets](#) or [Developmental Assets Research](#) page.
